

Siyum of RAMBAM

Successfully Launching
A New Study Cycle

In two weeks, a New Study Cycle of Rambam Begins. (Shabbos, Tetzaveh – Adar 9)
If you're (organizing a **Siyum HaRambam**, and are) semi-serious about getting people to **learn** Rambam daily, (not recite it like Tehillim), **you want CHAYENU.**
CHAYENU is a proven, successful tool to keep this daily study properly.

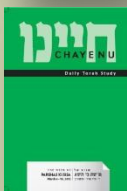

Crazy Discount - Bulk Order Package
\$0.25c/per piece*
(that's 83% off!)

We recommend a 3-week pack to get it going.
Here's why: (1) It will make the commitment routine.
(2) It will get past the Introductions.

Week of Tetzaveh – (Adar 3-9)

*The first day of the new cycle is Shabbos, Adar 9.
So, you will want to supply the next week's issue,
so the start has some continuation.*

Week of Ki-Sisa – (Adar 10-16)

*The Perek Echad Cycle runs through the Count of
the Mitzvos (positive & negative), only starting the
actual first Perek next week.*

Week of Vayakhel–Pekudei

*The Perek Echad Cycle continues with the
structure of the 14-volumes of Mishneh Torah,
beginning the 1st Perek on Thursday, Adar 21.*
